

For even more convenience, combine Ready Check with Even Monthly Payment

Our Even Monthly Payment (EMP) plan makes it easier to manage your budget. We'll average your electric bills from the past 12 months to project your monthly payments for the next year. Whether it's the biting cold of January or the searing heat of August, you'll pay the same amount each month.

We'll review your account twice a year and adjust your EMP amount if your electric use changes significantly. We'll also pay interest on your average daily credit balance. And if EMP doesn't work for you, you can return to conventional billing at any time.
