Save on an EV with rebates and tax credits!

Electric vehicles (EVs) are quiet, quick to accelerate, and cost less than half of traditional gas vehicles to operate.

Qualify for the following rebates when you purchase from a licensed dealer:

- **\$3,000** for a new battery electric vehicle (BEV).
- **\$1,500** for a new plug-in hybrid electric vehicle (PHEV).
- **\$1,500** for a used BEV.
- **\$750** for a used PHEV.

Combine our new rebates with **federal tax credits ranging from \$4,000 to \$7,500** for even more savings!

Install a Level 2 EV charging station on a qualified rate and receive a **\$500 rebate!**
