UTILITIES COMMISSION
Docket No. E-017/GR-10-239
Approved: May 27, 2010

EFFECTIVE with bills rendered on
and after June 1, 2010, in Minnesota

APPROVED: Bernadeen Brutlag
Regulatory Services Manager

Fergus Falls, Minnesota

MANDATORY AND VOLUNTARY RIDERS: The amount of a bill for service will be modified by any Mandatory Rate Riders that must apply or Voluntary Rate Riders selected by the Customer. See sections 12 through 14 of the electric rates for the applicability matrices of riders.

DEFINITIONS OF SEASONS:

Summer: June through September.

Winter: October through May.

TERMS AND CONDITIONS: A customer with a billing demand of less than 20 kW for 12 consecutive months will be given the option of returning to the Small General Service schedule (Section 10.01).

DETERMINATION OF DEMAND: The billing demand shall be the maximum demand in kW as measured by a demand meter, for the highest 15-minute period during the month for which the bill is rendered. The billing demand may be estimated for Customer locations where no demand meter has been installed, but in no event will the billing demand be considered less than 20 kW.

DETERMINATION OF FACILITIES CHARGE: The monthly measured demand will be based on the maximum 15 consecutive minute period measured by a suitable demand meter for the month for which the bill is rendered. The Facilities charge demand will be based on the largest of the most recent 12 monthly measured demands.
