**FACILITIES CHARGE:** Customers served under this rate shall pay an annual fixed charge equal to 18% of the investment of the Company in the extension of lines, including any rebuilding or cost of capacity increase in lines or apparatus, necessitated because of the irrigation pumping load.

Alternatively, customers may prepay the installation and cost of the equipment and shall pay an annual fixed charge equal to 3.5% of the investment of the Company, in lieu of the 18% annual fixed charge.

In either option, equipment remains the property of Otter Tail Power Company. This charge shall be reviewed if additional customers are connected to the extension within five years.

**MANDATORY AND VOLUNTARY RIDERS:** The amount of a bill for service will be modified by any Voluntary Rate Riders selected by the Customer or Mandatory Rate Riders that must apply. See sections 12 through 14 of the Minnesota electric rates for the applicability matrices of riders.

**CHARACTER AND CONDITIONS OF SERVICE:** The Company reserves the right to interrupt this service. As a condition to receiving service at this rate, the customer shall, when notified to do so, abide by such restrictions.

If, during the terms of such agreement, the Company shall establish a superseding rate for this service, the customer shall be billed at the superseding rate for the balance of the term of his contract and shall comply with all terms and conditions of the superseding rate. Unless there is additional investment by the Company, there shall be no change in the amount of the fixed charge during the term of such agreement regardless of the provisions of any superseding rate.

An agreement will be entered into with each customer, specifying the investment necessary to supply service and the fixed charge. The annual fixed charge will be billed in seven equal monthly installments May through November of each year.
