Fergus Falls, Minnesota

Due to the U.S. Government Energy Act of 2005, after August 1, 2008, the Company will no longer install Mercury Vapor fixtures for new installations.

INTERIM RATE ADJUSTMENT

A 3.8 percent increase will be added to the sum of the following, as applicable: Customer Charge, Energy Charge, Demand Charge, Fixed Charge, Facilities Charge, and the monthly Minimum Charge.

N
N
N
N

MANDATORY AND VOLUNTARY RIDERS: The amount of a bill for service will be modified by any Mandatory Rate Riders that must apply or Voluntary Rate Riders selected by the Customer. See sections 12 through 14 of the electric rates for the applicability matrices of riders.

SEASONAL CUSTOMERS: Seasonal customers will be billed at the same rate as year-around customers, except as follows:

A fixed charge of \$25.00 will be billed each seasonal customer once per season per fixture in addition to the rate provided above. The fixed charge will be included in the first bill rendered for each season.

Each customer will be billed for the number of months each season that the outdoor lighting fixture is in use, but not less than a minimum of four months, plus the seasonal fixed charge.

UNDERGROUND SERVICE: If the customer requests underground service to any outdoor lighting unit or sign, the Company will supply the equivalent of one span of underground and add an additional \$1.92 to the monthly rate specified above. If overhead service is not available, there is no additional charge. **There is no additional charge for the MV-6 PT, HPS-9 PT or the HPS-14 PT fixtures.**

EQUIPMENT AND SERVICE SUPPLIED BY THE COMPANY: The Company will install, own and operate, and have discretion to replace or upgrade a high intensity discharge light including suitable reflector or a floodlight including a lamp, bracket for mounting on wood poles with overhead wiring and photo-electric or other device to control operating hours. Other than customers provided with pole top fixtures on fiberglass poles, the service will provide pole top lights. The light shall operate from dusk to dawn. The Company will supply the necessary electricity and maintenance for the unit.

SERVICE CONDITIONS: Lighting will not be mounted on customer-owned property. The light shall be mounted upon a suitable new or existing Company-owned facilities. Company shall own, operate, and maintain the lighting unit including the pole, fixture, lamp, ballast, photoelectric control, mounting brackets, and all necessary wiring using Company's standard street lighting equipment. Company shall furnish all electric energy required for operation of the unit.

In cases of vandalism or damages, Otter Tail Power Company has the discretion to discontinue service.
