MANDATORY AND VOLUNTARY RIDERS: The amount of a bill for service will be modified by any Mandatory Rate Riders that must apply or Voluntary Rate Riders selected by the Customer. See sections 12 through 14 of the electric rates for the applicability matrices of riders.

MINNESOTA PUBLIC
UTILITIES COMMISSION
Docket No. E-017/GR-10-239
Approved: May 27, 2010

EFFECTIVE with bills rendered on
and after June 1, 2010, in Minnesota

APPROVED: Bernadeen Brutlag
Manager, Regulatory Services

Fergus Falls, Minnesota

DEFINITIONS OF SEASONS:

Summer: June through September.

Winter: October through May.

BILLING DEMAND DETERMINATION: The demand will be determined based on the peak one-hour demand reading recorded during the winter period for the most recent 12 months. An estimated demand of three (3) kW will be used for customers new to this rate until a demand is established.

FACILITIES CHARGES: The Facilities Charge will be \$4.00 per month, unless the usage is at or above 5000 kWh per month which will establish the Facilities Charge at \$15.00 per month for a 12 month period. The Facilities Charge is based on 30 days per month in a billing period. An adjustment of 167 kWh a day will be added for each day that a billing period exceeds 30 days.

DEMAND SIGNAL: Service may receive a demand signal for up to a total of 14 hours during any 24-hour period, as measured from midnight to midnight. Water heaters served on this Tariff will also be included in the Company's summer water heater load control program.
