## Know what to expect

Even monthly payment (EMP) averages your electric service statements over 12 months. That means your payments are the same each month!

EMP doesn't affect the amount of electricity you use or the rate you pay. Your account is reviewed three times a year and adjusted for significant changes.

The program is free and if it doesn't work for you, you can return to conventional billing at any time.

To sign up now, complete and return the attached form to your local **Customer Service Center.**

Or, for more information call **800-257-4044.**
