

## Notice to Otter Tail Power Company customers

Otter Tail Power Company has upgraded transmission facilities to help ensure continued reliable service and to bring renewable energy to our Minnesota customers. The Minnesota Public Utilities Commission has approved our adding a Transmission charge to the Resource Adjustment on your monthly electric bill beginning February 1, 2010, to recover the cost of these transmission upgrades and expansions.

2/10

The current Transmission charge is:

<b>Class</b>	<b>Energy (¢/kwh)</b>	<b>Demand (\$/kw)</b>
Large General Service	0.039¢	\$0.035
Controlled Service	0.007¢	N/A
Lighting	0.025¢	N/A
All other service	0.057¢	N/A
