Geothermal heat pump

Get more mileage from your energy dollar

Earth friendly.

Budget smart.

A geothermal heat pump pulls *free energy* from the earth making it the most efficient, environmentally friendly way to heat and cool your home.

It's more than 300 percent efficient and will save you up to 70 percent on your heating and cooling costs.

Act now

Major incentives make this the time to install your geothermal heat pump! Call our **Idea Center** at **800-493-3299** or visit us at **www.otpc.com** to learn more.
