

Simple. Secure. Smart. Online services

Start using online services today It's simple!

1. Go to otpc.com
2. Choose your location preferences
3. Register or log in to your account

Business Services

Businesses with interval data metering can use **PowerProfiler** to manage energy use, control costs, and maximize profits. A monthly fee applies.

Log in to view and manage many aspects of your account

Online services include:

My Account and Profile

Update your password, email, or personal information. You also can add or delete electric service accounts. Your balance and due date are shown within the **My Account** tab that is accessible from every page after you log in.

View new bills. Look for the blue **View My Bill** button in the My Account/Log In box or the **Billing History** link on the My Account and Profile page.

Current Balance:	\$384.35
Payment Due:	01/25/2019
Last Payment Received:	01/22/2019
My Profile Log out	
Pay My Bill With ePay	
View My Bill	

Tip: ePay users will want to do this before clicking over to ePay to make a payment.

Sign up to receive energy-control notices and workshop opportunities.

EZ-PAY

Make a quick payment from your bank account, debit card, or credit card. No enrollment is necessary. KUBRA provides this service and charges a small fee. Click **Pay My Bill** to access EZ-PAY.

EZ-PAY also is available by calling 800-257-4044.

ePay

ePay is our secure electronic bill-payment service that lets you schedule single or automatic monthly payments from your checking or savings account.

- Choose when and how your payments are made.
- Choose text, voice, or email reminders to help manage your billing and payments.
- Sign up for pay-by-text.
- Enroll today! ePay is free to use.

Start, Move, or Stop Service

Establish new electric service, or transfer or turn off an existing service.

My Energy Use

View your energy use history for the past 24 months.

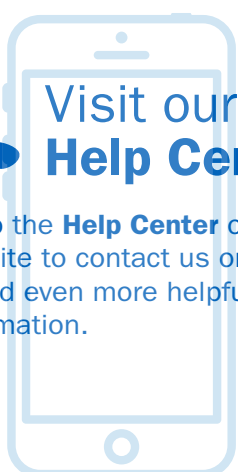

Get a complete picture of your home energy use and find ways you can save with **Home Energy Analyzer**. Complete a home profile, then create your personal plan to save.

If you read your own meter, you can submit your meter reading online.
