

Abundant hot water and savings

Join the tens of thousands of customers who are saving money with our water heating control rates. It's simple!

Start saving

Our bill credit option is the lowest-cost way to get started.

- 1.** Your electrician provides wiring from your service panel to the meter. (No expensive second meter required!)
- 2.** We install a radio receiver at no additional cost.
- 3.** You'll receive a credit on each month's bill.
