RESIDENTIAL TIME OF DAY PILOT RULES

1. The Residential Time of Day Pilot evaluation period will end two years from the start date, or as determined by the Company and approved by the North Dakota Public Service Commission. N
N
2. Participation will be voluntary. Preference for participation will be given to Customers who agree to a minimum of 12 months participation. Customers may elect service under this schedule for a trial period of three months. If a Customer chooses to return to other available rate schedules after the trial period, the Customer will pay a charge of \$20.00 for removal of time of day metering equipment. N
N
N
N
N
3. The Company will endeavor to work with participants to assist with various measures to improve Energy efficiency and other cost saving measures. N
