

Notice to Otter Tail Power Company customers

On May 15, 2019, the North Dakota Public Service Commission approved our request to set the initial rate for the Generation Cost Recovery Rider (GCRR). The GCRR recovers costs for constructing Astoria Station, a natural gas-fired electricity generating station. The approved rate is 2.547 percent of your bill, and we'll include it as a part of the Energy and Renewable Adjustment line item on and after July 1, 2019.

The following table shows the approved rate and the impact to a typical customer's bill.

	Average kWh's per month	Proposed Rate	Monthly Impact
Residential	1,000	2.547%	\$1.96
Large General Service	400,000 kWh & 1,000 kW	2.547%	\$492.67
