Automatically pay your
electric bill with
Ready Check

One more thing off your mind...

With **Ready Check** you authorize your bank to automatically pay your electric bill each month.

By enrolling in **Ready Check** you'll:

- Avoid late or missed payments.
- Write fewer checks.
- Save on postage.
- Pick your payment date range. We'll process your payment on a date from that range that best aligns with your bill date.

For more convenience, combine **Ready Check** with **Even Monthly Payment**

Our **Even Monthly Payment** (EMP) plan makes budgeting easier. We'll average your monthly billing amounts for the past 12 months to determine the amount you'll pay each month and review your account a few times a year to ensure that your electricity use is in line with what you're paying.

You can cancel anytime if you decide that either **Ready Check** or **EMP** doesn't work for you.

Enrolling in **Ready Check** is easy.

1. Complete the form below.
2. **Attach a voided check.**
3. Return to us with this month's payment.

*Note: Allow two weeks for set-up. When **Ready Check** takes effect, usually with the next billing cycle, it will be noted on your bill.*
