

It's time for abundant hot water

**...and an
\$8 monthly
bill credit!**

Our bill credit option is the least-cost way to save with off-peak electric service.

1. Your electrician provides a single wire for our connection. (No expensive second meter or service panel required!)
2. We install a radio receiver at no cost.
3. You'll receive a credit of \$8 per month on each bill.
