

Schedule a Home Transformer energy assessment

FREE

Have an energy expert measure your home's efficiency and evaluate your energy use.

Your free energy assessment includes:

- A **blower door test** to determine your home's airtightness.
- A **thermal imaging analysis** to gauge the adequacy of your insulation.
- A **detailed report** with recommended actions for savings with estimated paybacks.

Thermal imaging reveals locations where your home is losing energy.

You'll also receive these energy-saving products!

- LED lightbulbs
- Outlet gaskets
- Window caulking
- Weather stripping
- Low-flow showerhead
- Faucet aerators
- Pipe insulation
- Engine block heater timer
- Door sweep

More than a
\$500
value in products
and services

To be eligible, you **must** meet these criteria:

- ✓ Use electricity as your primary heating source.
- ✓ Have an electric water heater.
- ✓ Own your home.
- ✓ Have a satisfactory payment history with our company.
- ✓ Haven't had an audit from our company in the past five years.

Sign up today!
