

**Do you have an
emergency kit
packed in case
of a storm?**

Prepare your summer storm kit today!

Pack your emergency kit with:

- A flashlight and extra batteries.
- Drinking water and nonperishable food.
- First aid supplies.
- Medicines or baby items, if needed.

During a storm:

- Shelter in a sturdy building.
- Stay away from doors and windows.
- Don't use the shower or bathtub.
- Use only wireless phones.
- Unplug sensitive electronic appliances such as computers, TVs, DVD players, etc.
- Stay away and call 911 if you see a fallen or low-hanging power line.
