

Have you checked  
out the updated  
**otpc.com** yet?

**We heard your feedback and made exciting changes to provide you with a better online experience!**

## **What's new**

We've enhanced our homepage to include an easy-to-see log in box, six action-focused tiles so you can find what you're looking to do more quickly, and streamlined navigation, whether you're a residential or business customer.

After you log in, you'll arrive on your new **My Account page** where you can access billing, payment, and usage information, and update your profile—all in one convenient area.
