2021 ENERGY STAR® Appliance Rebate Form

Terms and Conditions

Otter Tail Power Company reserves the right to deny any rebate which does not meet program guidelines included on this application. Program may be discontinued or modified at any time.

Qualifying customers

This program is available to Otter Tail Power Company MN residential and small commercial customers who have installed qualifying electric refrigerators, freezers, dishwashers, clothes washers, and clothes dryers.

Rebate details

Customer requesting a rebate must purchase and install a new Energy Star rated refrigerator, freezer, clothes washer, and/or electric clothes dryer. Compact-sized appliances and appliances not rated as Energy Star do not qualify.

This program will provide a rebate of \$50 for the installation of qualifying appliances. Customers are eligible for rebates for any combination of appliances, but no more than one appliance type per year.

Qualifying equipment must be purchased and installed prior to December 31 to qualify for a current year rebate. Rebates on applications received after December 31 are subject to change. Rebate applications received after March 31, 2022 for prior year installations will not qualify for a rebate.

Our program requires you to submit a completed rebate application and a dated sales receipt/invoice, circling the purchase price, before Otter Tail Power Company can issue a rebate.

Otter Tail Power Company issues cash rebates in the form of checks, not energy bill credits. Allow 6 to 8 weeks for rebate processing.

Otter Tail Power Company reserves the right to limit any rebate. Acceptance of the application does not guarantee payment of a rebate. You will be notified if your application has not been accepted, pending final review.

Qualifications for a rebate does not imply any Otter Tail Power Company representation or warranty of any work performed. Otter Tail Power Company also does not warrant that actual energy savings will be equal to the contractor's estimate. Customer agrees that Otter Tail Power Company shall not be responsible or liable for any personal injury to property damage caused by installation. The rebate program is subject to change or cancellation without notice.
