A young girl with brown hair tied back is looking into an open refrigerator. She is holding a purple smoothie cup. The refrigerator is filled with fresh produce, including a bowl of blueberries, a carton of brown eggs, and several bottles of juice. The scene is brightly lit, suggesting a clean and well-stocked kitchen.

Appliance recycling

Recycle your old appliance without
lifting a finger!

We make it easy to recycle old appliances and earn extra cash!

Recycle an old, but working, fridge or freezer and earn \$50. Add a working, but inefficient, window air-conditioner or dehumidifier to the same appointment, and you'll earn even more! Pickup is free and contact-free upon request.

Rebate	Appliance	Conditions
\$50	 Refrigerator	Working; between 10 and 27 cubic feet
\$50	 Freezer	Working; between 10 and 27 cubic feet
\$25	 Window air-conditioner	Working
\$10	 Dehumidifier	Working

You'll reduce your energy use and receive a rebate.

Please note: Window AC or dehumidifier must be picked up during the same appointment as fridge or freezer.
