

*Save money and energy the easy way!*

**Install ENERGY STAR® LED bulbs throughout your home and save**

ENERGY STAR® LED bulbs offer outstanding energy efficiency, long-lasting performance, and just-right brightness, all in one package. Compared to 60-watt incandescent bulbs, you'll:

### **Save money**

Save approximately \$80 during an LED bulb's lifetime.

### **Save energy**

Use 75 percent less electricity with LED bulbs.

### **Save time**

LED bulbs last about 20 times longer.

Find special pricing on ENERGY STAR®-qualified LED bulbs at several participating retailers.
