Ready Check

Automatic payment program

One more thing off your mind

With **Ready Check** you authorize your bank to automatically pay your electric bill each month.

Ready Check is free! By enrolling you'll:

- Avoid late or missed payments.
- Write fewer checks.
- Continue to receive paper bills.
- Pick your payment date range. We'll process your payment on a date from that range that best aligns with your bill due date.

For more convenience, combine **Ready Check** with **Even Monthly Payment**

Our **Even Monthly Payment (EMP)** plan makes budgeting easier. We'll average your monthly billing amounts for the past 12 months to determine the amount you'll pay each month. We'll also review your account a few times a year to ensure that your electricity use is in line with what you're paying.

*You can cancel anytime if you decide that either **Ready Check** or **EMP** doesn't work for you.*

Enrolling is easy
