

Customer notice

The Minnesota Public Utilities Commission (Commission) has approved an adjustment to the Conservation Cost Recovery Adjustment (CCRA) factor, which is part of the Resource Adjustment on your monthly electric service statement. This rider recovers costs associated with Conservation Improvement projects. Beginning October 1, 2022, the Resource Adjustment will have updated CCRA factors by Service Category as described here based on the Commission's order.

MN CIP cost recovery 9/2022
