

# Tune up to save!

Rebates are now  
available for heat pump  
and air-conditioner  
maintenance.

## Ensure your heating and cooling system is operating at peak performance and receive a rebate!

A properly maintained heat pump or air conditioner could save you up to 25 percent on energy costs. Receive a **\$150 rebate** for a heat pump tune up or a **\$75 rebate** for an air-conditioner tune up. Tune up must be completed by a licensed contractor.
