

Electric vehicles

Offering savings and energy efficiency

Save on an electric vehicle with rebates and lower rates!

Electric vehicles (EVs) are quiet, quick to accelerate, and cost less than half as much to run as traditional gas vehicles.

Qualify for the following rebates when you purchase from a licensed dealer:

- **\$3,000** for a new battery electric vehicle (BEV).
- **\$1,500** for a new plug-in hybrid electric vehicle (PHEV).
- **\$1,500** for a used BEV.
- **\$750** for a used PHEV.

Combine EV rebates with our electrical panel rebates to make recharging at home a breeze.

Install a Level 2 EV charging station on a qualified rate and receive a **\$500 rebate!**
