Otter Tail Power Company ENERGY STAR® Windows rebate requirements and guidelines

Otter Tail Power Company reserves the right to deny any rebate which does not meet program guidelines included on this application. Program may be discontinued or modified at any time.

Qualifying customers

This program is available to Otter Tail Power Company residential customers whose primary heat source in the home is electricity. **Rebate applies to ENERGY STAR Version 7.0 windows for Northern Climate Zone only.** ENERGY STAR windows qualify for both window replacements and new construction.

Customers requesting rebates must contract for window installations with a contractor.

Rebate details

1. Home must be heated with electricity to qualify. Heat sources can include, but aren't limited to the following permanent, hard-wired electric heating options: electric baseboard resistance; electric plenum heaters; boilers; thermal storage room units, central furnaces, and in-floor systems; air source heat pumps; and geothermal heat pumps.
2. Windows must be installed in conditioned living space to qualify for rebates.
3. Windows must meet ENERGY STAR Version 7.0 Northern Climate Zone to qualify for rebates.

5. If U-Factor and Solar Heat Gain Coefficient (SHGC) aren't provided, a rebate will not be issued.
6. Packing slips, contracts, scopes of work, and purchase orders do not qualify as an installation invoice or proof of purchase.
7. Otter Tail Power Company reserves the right to inspect installations before issuing a rebate.

8. Qualifying equipment must be purchased and installed prior to December 31 to qualify for a current year rebate. Rebates on applications received after December 31 are subject to change. Rebate applications received after March 31 for prior year installations will not qualify for a rebate.
9. Our program requires you to submit a completed rebate application and a dated sales receipt/invoice before Otter Tail Power Company can issue a rebate.
10. Otter Tail Power Company issues cash rebates in the form of checks, not energy bill credits. Allow 6 to 8 weeks for rebate processing.
11. Otter Tail Power Company reserves the right to limit any rebate. Acceptance of the application does not guarantee payment of a rebate. You will be notified if your application has not been accepted, pending final review.
12. Qualifications for a rebate does not imply any Otter Tail Power Company representation or warranty of insulation, design or installation. Otter Tail Power Company also does not warrant that actual energy savings will be equal to the contractor's estimate. Customer agrees that Otter Tail Power Company shall not be responsible or liable for any personal injury to property damage caused by installation or insulation. The rebate program is subject to change or cancellation without notice. Please visit us at www.otpc.com or call our Idea Center at 800-493-3299 to determine whether any program changes have occurred.

Limit 1 rebate per customer per premise per calendar year.
