We can't process your ENERGY STAR Appliance Rebate Application unless all appropriate fields are complete. This application is valid for products installed between January 1, 2026, and December 31, 2026. I've read and understand the Terms and Conditions. I certify the information I've provided is true and correct, and the product(s) for which I'm requesting an incentive meets the requirements in this application. I've elected to use an electronic signature and understand and intend that a legal signature is formed by typing my name on this document. If any party doesn't wish to sign this document electronically, all must opt out together and print a paper copy to sign manually.

Otter Tail Power Company MN ENERGY STAR® Appliance Rebate Requirements and Guidelines

Otter Tail Power Company reserves the right to deny any rebate which does not meet program guidelines included on this application. Program may be discontinued or modified at any time.

Qualifying customers

This program is available to our Minnesota residential and small commercial customers who've installed qualifying electric dehumidifiers, air purifiers, heat pump water heaters, induction cooktops, refrigerators, freezers, dishwashers, clothes washers, and clothes dryers (including heat pump clothes dryers).

Rebate details

A customer requesting a rebate must purchase and install a new ENERGY STAR-rated electric dehumidifier, air purifier, heat pump water heater, induction cooktop, refrigerator, freezer, dishwasher, clothes washer, or clothes dryer.

Compact-sized appliances and appliances not rated as ENERGY STAR don't qualify. Size of refrigerator or freezer must be 7.75 cubic feet or larger. Dehumidifiers must have a minimum capacity of 50 pints per day.

Qualifying equipment must be installed prior to December 31 to qualify for a current-year rebate. Rebates on applications received after December 31 are subject to change. Rebate applications received after March 31, 2027, for prior year installations won't qualify for rebates.

Our program requires you to submit a completed rebate application, proof of ENERGY STAR rating (see Energyguide example), and a dated sales receipt/invoice, with a circled purchase price, before we can issue a rebate.

We issue cash rebates in the form of checks, not energy bill credits. Allow 6 to 8 weeks for rebate processing.

We reserve the right to limit any rebate. Acceptance of the application doesn't guarantee payment of a rebate. We'll notify you if your application hasn't been accepted, pending final review.

Rebate qualifications don't imply any company representation or warranty of any work performed. We also don't warrant that actual energy savings will be equal to the contractor's estimate. Customer agrees that Otter Tail Power Company shall not be responsible or liable for any personal injury or damage to the property caused by installation. This rebate program is subject to change or cancellation without notice.

Checklist

Did you include the following?

- Your Otter Tail Power Company account number (found on your energy bill)
- Your receipt or invoice verifying the purchase of your appliances along with your application
- Your signature
- Proof of ENERGY STAR rating

ENERGY STAR logo must be present on Energyguide label to qualify for rebate.

Does not qualify without ENERGY STAR logo.

Don't have an Energyguide label for your appliance(s)?
Visit www.energystar.gov to search and download ENERGY STAR certifications for qualifying appliances.

Submit your completed application one of the following ways:

1. **PDF submit button:**
If you're using the fillable PDF, attach invoice and click the **Submit** button at the end of the form to send it directly by email.
2. **Email:** rebates@otpc.com
3. **Mail:** Rebates
