

Tune up to save!

New rebate now available
for heat pump and air-
conditioner maintenance.

Add efficiency to your heating and cooling system and receive a rebate!

A properly maintained heat pump or air conditioner could save you 25 percent on energy costs. Receive a **\$150 rebate** for a heat pump tune up or a **\$75 rebate** for an air-conditioner tune up. Tune up must be completed by a licensed contractor.

Visit **otpc.com/TuneUp** or call **800-493-3299** to learn more.
