

How to read your bill

- Company contact information.
- Details regarding Even Monthly Payment.
- The address where you receive electrical services.
- Your account number.
- The date your payment is due.
- The billing date.
- Previous payment on your account (also appears on back of bill).
- The amount due for this period.
- Optional enrollment to buy Otter Tail Corporation stock. Your statement will reflect the amount you select during enrollment.
- Optional donation to help provide energy assistance to those in need in North Dakota.
- This area indicates whether your account is on our Ready Check program.
- Your name and mailing address.
- Other charges which may include late charges, customer service guarantees, connection charges, etc.
- The type of service for which you're being billed.
- Service dates of this billing.
- Total kilowatt hours used for each type of service.
- Details of charges, including the rates used to calculate your bill.
- Fuel and Purchased Power includes the cost of fuel we use to generate electricity to serve our retail customers, transportation costs for that fuel, and costs we incur to buy energy to supplement our own power plants.
- The Transmission Cost Recovery Rider allows us to recover costs associated with transmission additions designed to meet our customers' energy needs, accommodate the delivery of additional renewable energy, and enhance transmission system reliability.
- The Metering & Distribution Technology Rider allows us to recover costs associated with advanced metering, outage management, and demand response projects.
- The Renewable Resource Adjustment Rider allows us to recover costs associated with renewable energy facilities that we own.
- The Generation Cost Recovery Rider allows us to recover costs associated with new generation facilities to provide additional capacity, dispatchable energy, and grid support to meet our customers' electric needs.
