

**To receive your rebate:**

1. **Complete all information on this rebate application.** The form will be returned to you, and your rebate possibly disallowed, if all information is not completed. (Make sure to include annual hours of motor operation.)
2. Read the program requirements and guidelines below. Sign and date the form.
3. Attach a copy of the motor invoice or receipt, including detailed equipment costs and information such as manufacturer and model number.
4. Deliver the completed rebate form and attachments to your local Otter Tail Power Company Representative, email to [Rebates@otpc.com](mailto:Rebates@otpc.com), or mail to:  
Otter Tail Power Company Rebates  
PO Box 496  
Fergus Falls, MN 56538-0496
5. For assistance, contact your local Otter Tail Power Company representative.
6. Allow 6 to 8 weeks for rebate processing.

**MINIMUM QUALIFYING NOMINAL EFFICIENCIES**

**Electronically Commutated Motors (ECMs)**

(new, replacement of non-operating, and replacement of operating ECMs)

ECM Horsepower	Rebate Per Motor
0.125	\$15
0.25	\$30
0.33	\$50
0.50	\$70
0.75	\$100
1.00	\$125
1.50	\$175

**ECM Rebate Requirements and Guidelines**

*Otter Tail Power Company reserves the right to deny any rebate that does not meet program guidelines included in this application and*

1. **A copy of the ECM invoice must be attached.** Complete model name, model number, type, efficiency, speed, and size must be noted on the ECM rebate application form.
2. Equipment must be purchased and installed prior to December 31 to qualify for a current year rebate. Rebates on applications received after December 31 are subject to change. Rebate applications received after March 31 for prior year installations will not qualify for a rebate.
3. Rebates are available to Otter Tail Power Company's retail electric commercial and industrial customers. Rebated motors are for use in Otter Tail Power Company's service territory only.
4. Otter Tail Power Company reserves the right to inspect and verify motor locations and installations before issuing rebates.
5. Otter Tail Power Company reserves the right to meter the specified equipment or process, at no cost to the customer, to determine the actual energy savings for up to 18 months after installation.
6. Rebates will not exceed 75% of total project costs, including materials and installation. No rebate will exceed 75% of estimated annual electric service bill.
