

Save money and energy the easy way!

Install ENERGY STAR® LED bulbs throughout your home and save

ENERGY STAR® LED bulbs offer outstanding energy efficiency, long-lasting performance, and just-right brightness—all in one package. Compared to 60-watt incandescent bulbs, you'll:

Save money

Save approximately \$80 during an LED bulb's lifetime.

Save energy

Use 75 percent less electricity with LED bulbs.

Save time

LED bulbs last about 20 times longer.

Find special pricing on ENERGY STAR®-qualified LED bulbs at several participating retailers.
