2.0 Background Information

2.1 Construction and Operation Information

2.1.1 Licensing Documents

Otter Tail Power Company (OTP). 1989. Original License Application for Major Constructed Project Under 5 MW (FERC No. 10853). Filed December 1, 1989.

Federal Energy Regulatory Commission (FERC). 1991. Order Issuing License (Major Constructed Project) (FERC No. 10853). Issued December 5, 1991.

Approved Exhibit F Drawings [CEII]

Approved Exhibit G Drawings

2.1.2 Operating Requirements

Minimum flow requirements [See the PAD]

Reservoir elevation limitations [See the PAD]

2.1.3 Project Generation and Outflow

Hourly project generation and respective outflow 2011-2015

2.1.4 Public Correspondence

Any public correspondence related to the existing project

2.1.5 Annual Generation and Operation and Maintenance Costs

Any report on the total actual annual generation 2011-2015 [See the PAD]

Any report on the total actual annual operation and maintenance costs 2011-2015 [Privileged]

2.1.6 Original Project Costs

Original project costs [Not Available]

Current net investment [See the PAD]

Available funds in the amortization reserve account

2.1.7 Single Line Diagrams

A current and complete electrical single-line diagram of the project showing the transfer of electricity from the project to the area utility system or point of use [See the PAD]

2.1.8 Annual Charges

Any bill issued to the existing licensee for annual charges under Section 10(e) of the Federal Power Act.

2.2 Safety and Structural Adequacy Information

2.2.1 Emergency Action Plans

The most recent emergency action plan for the project or a letter exempting the project from the emergency action plan requirement

2.2.2 Independent Consultant Reports

Any independent consultant's reports filed on or after January 1, 1981 [CEII]

2.2.3 Outage Report 2011-2015

Any report on operation or maintenance problems, other than routine maintenance and associated costs of such problems under the Commission's Uniform System of Accounts

2.2.4 Construction Report

Any construction report for the existing project [Not Available]

2.2.5 Safety Public Correspondence

Any public correspondence relating to the safety and structural adequacy of the existing project.

2.3 Fish and Wildlife Resources Information

2.3.1 Construction Impacts

Any report on the impact of the project's construction and operation on fish and wildlife resources [None known]

2.3.1 Threatened or Endangered Species Reports

Any existing report on any threatened or endangered species or critical habitat located in the project area, or affected by the existing project outside the project area [Sensitive]

2.3.2 Fish and Wildlife Management Plans

Any fish and wildlife management plan related to the project area prepared by the existing licensee or any resource agency [See the PAD]

2.3.3 Fish and Wildlife Public Correspondence

Any public correspondence relating to the fish and wildlife resources within the project area

2.4 Recreation and Land Use Resources Information:

2.4.1 Recreation Use Report

Any report on past and current recreational uses of the project area

2.4.2 Recreation Maps

Recreational facilities and areas reserved for future development in the project area

Designated or proposed wilderness areas in the project area

Land and Water Conservation Fund lands in the project area

Designated or proposed Federal or state wild and scenic river corridors in the project area

2.4.3 Maintenance Documentation

Any documentation listing the entity responsible for operating and maintaining any existing recreational facilities in the project area

2.4.4 Recreation Correspondence

Any public correspondence relating to recreation and land use resources within the project area.

2.5 Cultural Resources information

2.5.1 Cultural Resource Reports

Any report concerning documented archeological resources identified in the project area [Sensitive]

2.5.2 Native American Use of Project Area Reports

Any report on past or present use of the project area and surrounding areas by Native Americans

2.5.3 Cultural Resources Correspondence

Any public correspondence relating to cultural resources within the project area.

3.0 Relicensing Documents

Otter Tail Power Company (OTP). 2016. Notice of Intent to File a License Application Otter Tail River Hydroelectric Project (FERC NO. 10853). Filed June 3, 2016.

Otter Tail Power Company (OTP). 2016. Pre-Application Document for the Otter Tail River Hydroelectric Project (FERC No. 10853). Filed June 3, 2016.
