## Otter Tail Power Company Electric Vehicle Charging Station Program Requirements and Guidelines

Otter Tail Power Company reserves the right to deny any rebate that does not meet program qualification requirements. Rebate programs may be discontinued or modified at any time.

#### **Rebate Application Details**

- New equipment must be installed where electricity is supplied by Otter Tail Power Company.
- Rebate requests for equipment purchases during the calendar year noted at the top of page one of this form must be received no later than March 31 of the following calendar year or will not be accepted.
- Proof of installation, such as a dated sales receipt or itemized invoice, must be submitted with this rebate request. Bids, quote, or purchase orders do not qualify as proof of installation.
- Hardwired Level 2 charger must be installed on a qualified off-peak rate, including Dual Fuel, Deferred Load, Fixed Time of Delivery, RDC, or the Electric Vehicle Charging Rate (available in Minnesota only).
- Customer rebate requests may require review by local Energy Management or Service Representatives.
- Allow 6-8 weeks for processing.
- Rebate limits apply. Rebate programs are subject to change or cancellation without notice.
- Acceptance of this application does not guarantee payment. You must meet rebate eligibility requirements.
- You will be notified if your application is not accepted.
- Visit www.otpco.com or call our Idea Center at 800-493-3299 to verify program requirements.
- Otter Tail Power Company is not responsible for inaccurate information supplied by equipment dealers or contractors.

Incomplete rebate applications will be returned and no rebate will be issued until all required information is provided.
