Date _____

I was referred to CoolSavings by _____

Mail this completed enrollment form to:

Idea Center
Otter Tail Power Company
P.O. Box 496
Fergus Falls, MN 56538-0496

CoolSavings terms and conditions

1. CoolSavings is a free program available to our qualified residential customers.
2. You must stay enrolled in CoolSavings for a minimum of one year from the date we install control equipment at your home.
3. We'll install, inspect, test, and maintain a radio receiver to control your air conditioning without charge. You must allow reasonable access to the radio receiver and any other company-owned equipment.
4. Enrollment continues automatically year to year until we receive notification of cancellation. After participating for a full year, you may cancel by calling 800-493-3299.
5. You must allow us to control all central cooling equipment at the location of service.
6. Maximum cycled control won't exceed 8 hours a day or 300 hours during the summer season, which is May through October.
7. We aren't liable for any loss, cost, damage, or injury resulting from interruptions or restorations of service that may occur while you're participating in CoolSavings.
8. If you tamper with any load-management equipment located on your property, we may discontinue your participation in CoolSavings and may bill you for expenses to remove company equipment plus investigative charges.
9. We reserve the right to deny participation or cancel enrollment in CoolSavings at any time. Reasons for denial or cancellation include, but aren't limited to, excessive installation costs, oversized or undersized air-conditioning equipment, or abnormal utilization of equipment, including seasonal homes and other limited-occupancy situations.
10. CoolSavings participants receive a credit of \$8.25 per month for participating May through October. Credit applied may be prorated and may change by action of applicable state regulatory bodies.

**Cut costs, not comfort
with CoolSavings!**

You do summer. CoolSavings will save you money.

Set up is free!

Enroll your central cooling system today and save about \$41 this summer!

Read full terms and conditions on back and fill out the form to enroll.

How it works

- This program is active during the summer season (May through October).
- We'll install our control equipment on the outside of your home.
- You'll receive a monthly credit on your summer-season billing statements.
- During occasional peak periods, we'll cycle your cooling system on a 15-minute on/15-minute off schedule.

Eligibility

- Central air-source heat pumps or central air-conditioning systems are eligible for this program.
- Only units connected through your main meter (served on our Residential Service or RDC Rates) are eligible for CoolSavings.
- Window units, ductless air-conditioning systems, and units served on discounted controlled-service rates don't qualify.

For more information, visit otpc.com/CoolSavings or call 800-493-3299.
