Stretch your budget with **free** energy-saving home improvements

Our **House Therapy** program can help reduce your energy bills through **free** services, such as:

- Home energy audits.
- Weatherization to stop drafts and energy loss.
- Replacement of inefficient appliances.

We offer this program for qualified customers through local Community Action Agencies (listed on back).

Your agency will:

- Determine your eligibility through an application for energy assistance.
- Coordinate your energy audit.
- Hire local contractors to make recommended improvements.
